NM INSTITUTE OF ENGINEERING & TECHNOLOGY

Reimagining the Future of HR

HR CONCLAVE
peopleverse 2026
Breaking Silos, Bridging Minds

Human Resources is evolving beyond traditional people management. Artificial Intelligence, predictive analytics and digital transformation are reshaping how organisations attract talent, develop people and build workplace cultures.

Peopleverse 2026 brings together corporate leaders, HR professionals, academicians, researchers and future managers to explore a new era of HR where technology advances human potential and organisational success goes hand in hand with empathy, dignity, inclusion and employee well-being.

CONCLAVE OBJECTIVES

- Reimagine HR with AI
- Champion Human Dignity
- Strengthen Psychological Safety
- Bridge Industry & Academia
- Develop Future-Ready Leaders
- Balance People & Performance

TWO CONVERSATIONS

PANEL 01

PEOPLE + TECHNOLOGY WITH AI INTEGRATION

PANEL 02

HUMAN-CENTRIC WORKPLACES

FEATURED EXPERIENTIAL ACTIVITY

RISK IT, BUT THINK SMART

The Psychology of Business Decisions

- Evaluate business risks
- Assess workforce implications
- Make strategic decisions
- Receive expert feedback

Think critically, Decide strategically, Lead responsibly.

WHO SHOULD ATTEND?

Corporate Leaders & HR Professionals

Academicians & Researchers

Management Students & Future HR Leaders
